Message from the *Exalted Ruler*...

Dear fellow Elks:

I heard many years ago in business circles your biggest critic is your best friend. Well, it has happened to me.

Last October Ture Rosland, one of our more outspoken members requested on the Lodge Floor that our officers produce a balanced and segregated budget. It has been a year since then. Our bookkeeper and other lodge members put in overtime and them some preparing for this.

I'm proud to announce that our Lodge now has a complete, balanced and segregated budget. In addition to that, we have a new budget committee. Two weeks ago at my request our Treasure Barbara Lacy formed a budget committee to verify our operations. I chose Barbara as the chairman and Barbara chose the following Elks and one Elk spouse to form our new budget committee. I believe we have a dream committee. It consists of Secretary Shellie White, our Audit Chairwoman Sharon Keener, our Bookkeeper Sharon White, one of our Trustees Al Carrier, and our Lecturing Knight Mida Sorenson.

Within days of forming, two intensive meetings and a couple of revisions, our talented Budget Committee created a segregated balanced budget that is ready for a vote on the Lodge floor. And yes I said a **BALANCED** budget! A budget that is realistic and complete. We can now move forward with confidence. The decisions we make will be based on solid accounting principles.

Elks National Foundation

Invest in our community today with a donation to the Elks National Foundation. Your gift helps ensure that no veteran feels alone, no student gives up on their dreams, no child gives in to peer pressure and no Lodge lacks the resources to serve its community.

To learn more about the Elks National Foundation, its grants, giving options or recognition opportunities, visit www.elks.org/enf or talk with our Lodge's ENF chairperson

From the Membership Committee:

 **The Good News**.....As of this date, we have 19 applicants waiting for initiation, 3 more waiting for a vote on the lodge floor, and an addition 3 applications on hand.....

 **The Not So Good News**.....There are still 33 members who have not paid dues. I know that the economy is rough, but your dues come to just over \$10.00 per month. Those dollars support our lodge, our charities and in part our expenses. Without your dues, our charities, scholarships and community activities are in jeopardy of not getting funded. Dues are the life blood of our Lodge....please pay yours.

TRUSTEES CORNER

We have had an excellent series of events lately, from Darel Walkers' burn your own steak to Sunday breakfast, Pasta night and a very successful Show & Shine Car Show and Sock Hop. All of these were well attended. Quite a number of the attendees were non Elk members, who seem to just enjoy our events. This is very nice, however we would like to see more of our Elk members out enjoying these events.

I hope you read last months column concerning the petition to raise the dues. We do not approach this with a light heart. However, if you consider that our current dues are \$110.00 and our current membership is approx. 600, this gives us about \$66,000.00 to run the Lodge, not counting what Grand Lodge assesses us. Next, consider that our monthly expenses are from \$11,000.00 to as high as \$20,000 when taxes (payroll, property and sales) hit, then you will understand that at best our dues will barely cover 6 months of expenses. How do we cover the rest? By having events, dinners, car shows, wine tastings, etc. But, we need the support of our membership to do this; both to attend the events and to volunteer to work on the events and other things around the Lodge. Step up, show your commitment to Elkdom and get involved. You will have a good time and meet other great Elk members. We have a fantastic Lodge.....

By-Law Change Announcement

To all members...

As was noted in the "Trustee's Corner" last month, we are posting for a raise in the yearly lodge dues. This will come up for a vote on the Lodge floor, October 19th at the regular Lodge meeting.

The change in the by-laws will be in ARTICLE X: FEES AND DUES Sec.2, (b) and shall read "The Regular Lodge dues shall be \$135.00 per year."

This will be the only change made.

El Dorado County Cool Tie Workshop

Jane Poland and I wanted to express our sincere thanks to everyone who participated at the El Dorado County Cool Tie Workshop on September 7 hosted by the Elks Lodge in Shingle Springs. We were hoping to complete enough cool ties to include in the next 2 shipments of care packages being mailed in November and March. These care packages are paid for, constructed, and mailed by the El Dorado County Realtors Association to all El Dorado County soldiers stationed in the Middle East.

The Elks Lodge is a great place to hold this type of event, and we wanted to give special kudos to Chef Julie Turner and her wonderful helpers for preparing a fabulous lunch.

There were at least 40 smiling, able and willing, good hearted souls helping us accomplish this task. In addition to the Elks members, husbands and wives, members of the community, and American Sewing Guild/Gold Country Chapter ladies were able to attend. We had 21 sewing machines humming, gentlemen turning, and ladies pressing and marking the cool ties. We also had ladies sewing and pinning quilts for the Veterans.

Thanks to everyone's hard work, we completed a record 514 cool ties. Give yourselves a hearty round of applause!!

Thanks again for hosting this event and helping out with this very worthwhile project!

Jane Poland and Daisy Buchignani

To the following:

Tom Alexander and Sharon Keener, your host and hostess of the 2010 Luau want to THANK all the Placerville 1712 Elks for making the event a great success. We would like to give all the volunteers a special thank you for their time and energy provided to help make the event the fun it turned out to be. It could not have been possible without all the extra effort from the volunteers. It was a lot of work.

We all know, any organization is only as strong as its members and their willingness to help.

Thank you each and every one.

Tom Alexander and Sharon Keener

A BIG THANKS

To Ben Hoff for paving our parking lot..... that was a big job.

Another BIG THANKS
