Volume 64 No. 7 July 2010

Our Exalted Ruler Bruce Turner receiving an award from Vice President of the North Central District, Phil Morrison for donations totaling over \$8,900.00 donated by our lodge members to the Purple Pig.

On Friday, June 25, our lodge was proud to host a visitation from the North Central District Vice President, Phil Morrison and his delightful wife Dianna. Phil met with our officers and chairpersons, gathering information and reports on the operation and workings of our lodge. Dianna presented for a raffle, a very generous goody basket as a prize, generating over \$100.00 toward our Purple Pig Project. Richard White was the lucky winner of just over \$100.00 on a 50/50.

Our lodge also presented Phil with a check for our Major Project. Thanks to Phil and Dianna for making the evening so memorable. Our Vice President has a visitation at each lodge in our district, after which he will have a Home Coming at the Elk Grove Lodge, Saturday, July 17th.

Message from the

Exalted Ruler...

Julianna and I went to the state Elks convention in San Diego in May. We met with the Grand Exalted Ruler James Nicholson, and heard his message, it is clear; there is a call for change. Elks membership has declined from 1.6 million to .9 million over the past 30 years. There are going to be new ways to bring members into our Order. Our Lodge is one of the few that has had a strong gain in membership over the same period, however we must do a better job at educating the public as to how we benefit the community. We must "Promote Elks Passion", and make ourselves relevant to our youth. I urge every member of this Lodge to read his article on page 4 of the May Elks Magazine and to read Grand Exalted Ruler James Nicholson bio. Use this link <http://www.westcovinaelks.org/GER%20BIO%20Nicholson.pdf>

Our Lodge activities chairman Jack Vranes and our team of volunteers has created a full calendar of events over the next few months, I hope that you, our members will support our Lodge and enjoy some libations, good food and the great company of your fellow Elks. Our small Lodge offers large opportunities for social gatherings. We have two new additions to our calendar, an \$8.00 dinner including coffee and dessert on initiation nights, and a pancake breakfast on the second Sunday of the month. Please come and enjoy a nice breakfast with coffee, and a dinner on Initiation night and welcome our new members into the Order. Before we know it summer will be over and our dictionary project will begin. The focus of the Dictionary project is to provide dictionaries to third graders in our local elementary schools. In order to do a good job we need a committee and a committee chair to manage it. Your participation is needed. Please visit <https://www.elks.org/grandlodge/NewsStory.cfm?StoryID=27629> and <http://www.dictionaryproject.org/> for more information on how you can help with this project. Feel free to call me at 530-626-0940 or email turner2000@yahoo.com for more information. Elks Share Elks Care. Let's give the gift of words

Just For Fun

The early bird might get the worm, but the second mouse gets the cheese.

TRUSTEES CORNER

We have the Profit & Loss reports out for April and May. Copies are in the office for anyone who wishes to peruse them. We also have the Profit & Loss Budget vs actual April through May which we are examining now. We will report on this in the near future. The Trustees are charged with producing a budget and generally making sure that the Lodge's finances are stable, ie, we do not overspend and place the Lodge in a tenable position. To do this we have had to make some painful cuts, curtailing to some degree the amount the Lodge has donated in the past. This has created some consternation with committee chairmen, some even resigning. This leaves our good works in flux until a new chair may be found and brought up to speed, or even worse the works being dropped. This is not Elksdom, most of our charitable activities have continued, our members have carried on holding fund raisers and doing whatever is needed to continue. The general economy is not great and this in turn affects our income. Most of the members have accepted it and worked even harder to get the job done. We salute you, and now challenge the rest of the membership to step up and get involved. Our Lodge needs you more than ever, volunteers reap the rewards of doing good things, having fun and meeting more great people. Be an ELK

Please consider purchasing a brick in honor of someone special to help the lodge, and to continue beautifying the walkways. Spring is in the air!

From the Membership Committee

Members should bring:

Top Ten Reasons to Volunteer

1. When you stay home you get too many telemarketing calls.
2. Your family could use a break from you.
3. The only person you see every day is your mailman..
4. It's hard to win a game of solitaire.
5. Soap operas all sound alike.
6. If you don't go out each day, you get old.
7. Why let your neighbor have all the fun in life?
8. The car needs a workout.
9. Your mom would be proud of you.
10. Who cares about money?

~ Come Join The Garden Group ~

A Garden Group is being started at the Lodge! The first meeting for this fun group will be at the Lodge on **Wednesday, July 21 at 4 p.m.** Please come and share your ideas for enhancing our Lodge gardens, your gardening experience (none needed), and any ideas for making this an exciting new venture. We will also be naming the Group, so think of a name for it *without* using the word **Club** in it.

It would be fun to create some trips to visit local gardens, nurseries, wineries and perhaps host our own 'Garden Party' for a social gathering!

The scheduled Lodge garden dates are on Monday's from 9:00 am until Noon, bring your gloves and tools, and be sure to put these dates on your calendar! July 5, July 19, July 26, August 16 and August 30

OUR LODGE

How many times have you as a member attended functions at our Lodge???

Did you take the time to enjoy our patio, view our picturesque front entrance with benches set around for that perfect photo opportunity or dance on our large dance floor? Did you take the time to view our bar area, look around the kitchen or need to use our super clean restrooms???

Did you think about how well the Lodge was lighted or how good our PA system is?? How many tables and chairs we have. Did you find parking easy??

Most Elk's just take it as that is the way our Lodge is. How lucky we are.!!!

When an outside party wants to have an event, be it a Wedding, Anniversary, Birthday or whatever, they do look at all those things. What is the norm for us is spectacular for them. In most cases we are not the first place they have looked. They pay attention to every detail and ask a lot of questions. Many times they choose us as the place to be. They rent the Sierra Room, the name given as our rental area and they contribute to our financial success. We need them.

This same area is available to all our members subject to availability. If you are planning a family event... talk to us. Everything mentioned above is not only available to you as an Elk, but it is available with a substantial discount. We also provide you with Caterer's names, names of DJ's or Bands and help plan with you, your special day.

We are your Lodge, and no finer place in the area can compete with our facility and Elk pricing. If you are thinking of having an event, please place a call to the Lodge, and we will help with the rest.

Al Carrier

OUR BACK BAR

It has taken several years, a lot of determination, and a generous amount of donations from our members, but it finally did happen. The back bar is completed and one look at it makes it well worth the wait.

The actual work, building and installing of the Bar was done by fellow Elk *Brad Willoughby*. The glass donated by *Camerado Glass* and *Gold Hill Glass*. The granite bar top was purchased at a greatly reduced price and installed by the "*The Tile Outlet*". Our electrical work was performed by fellow Elk *Bill Hickam* and fellow Elk *Bob McCubban* hooked up the phone and credit card machine.

There are too many who contributed to the bar to mention here, and a plaque will be donated with their names, but I would be remiss if the major contributor and strong supporter; *Ron Conway* was not thanked.

Also the project would have failed had it not been for the dedicated work and strong conviction of our Bar Manager *Margie Carrier*.

The back bar installs a sense of pride and accomplishment in our members. Hopefully it will play a role in future income and Lodge rentals. That in turn will contribute to our success

If you have not yet seen it, come on down.....
